This diagram illustrates a branching case 132, which is a rectangular block. It contains two sets of parallel lines representing tapes. The upper set of lines is labeled 133a and is collectively labeled 133a 1ST UPPER TAPE. The lower set of lines is labeled 133b and is collectively labeled 133b 1ST LOWER TAPE. The lines are numbered 1 through 24. The lines are arranged in a grid-like pattern, with the upper lines (133a) and lower lines (133b) intersecting. The lines are numbered 1 through 24, with the numbers 1, 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, and 24 appearing on the left side, and the numbers 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, and 24 appearing on the right side. The lines are numbered 1 through 24, with the numbers 1, 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, and 24 appearing on the left side, and the numbers 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, and 24 appearing on the right side.
